Independent Auditor's Report

To the Board of Directors of
Sunpointe at Lakewood Estates II Condominium Association, Inc.

Report on the Financial Statements

I have audited the accompanying financial statements of Sunpointe at Lakewood Estates II Condominium Association, Inc. (the "Association") which comprises the balance sheet as of December 31, 2019, and the related statements of revenues, expenses, and changes in fund balances and cash flows for the year then ended and the related notes to the financial statements. Information for the year ended December 31, 2018, is presented for comparative purposes only and was extracted from the financial statements presented by fund for that year, on which I expressed an unmodified opinion in my report dated October 22, 2019.

Management's Responsibility for the Financial Statements

The Association's Board of Directors is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sunpointe at Lakewood Estates II Condominium Association, Inc. as of December 31, 2019, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Schedule of Operating Fund Revenues and Expenses – Budget and Actual

My audit was performed for the purpose of forming an opinion on the financial statements as a whole. The *Supplemental Schedule of Operating Fund Revenues and Expenses – Budget and Actual* is presented for purpose of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of the Association's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Disclaimer of Opinion on Required Supplementary Information on Future Major Repairs and Replacements

Accounting principles generally accepted in the United States of America require that the information on future major repairs and replacements be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to my inquiries, the basic financial statements, and other knowledge I obtained during my audit of the basic financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

Sunpointe at Lakewood Estates II Condominium Association, Inc.
Notes to Financial Statements
For the Year Ended December 31, 2019

Note 1 – Nature of the Association

Sunpointe at Lakewood Estates II Condominium Association, Inc. (the “Association”) is a nonprofit corporation organized in the State of Colorado in 1984. The purpose of the Association is to provide for the administration, maintenance, preservation, and architectural review of the units and common elements within the Sunpointe at Lakewood Estates Condominiums II community as defined in the *Amended and Restated Declaration of Covenants, Conditions and Restrictions of Sunpointe at Lakewood Estates Condominiums II* (the “Declaration”); and to promote the health, safety, welfare and recreation of the Owners within the community. The Association consists of the Owners of 162 residential town home style condominiums located in Lakewood, Colorado.

The Association pays dues to the Sunpointe at Lakewood Estates Common Maintenance Association (the “CMA”) which was formed to maintain certain amenities that are common to both Sunpointe at Lakewood Estates I Condominium Association, Inc. and to the Association, including entry surfaces, curbs and gutters, the loop road, and traffic control signage.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared using the accrual method of accounting.

Fund Accounting

The Association’s governing documents provide certain guidelines for governing its financial activities. To ensure observance of limitations and restrictions on the use of financial resources, the Association maintains its accounts using fund accounting. Financial resources are classified for accounting and reporting purposes in the following funds established according to their nature and purpose:

Operating Fund – This fund is used to account for financial resources available for the general operations of the Association.

Replacement Fund – This fund is used to accumulate financial resources designated for future major repairs and replacements.

Cash

The Association considers all highly liquid investments with an original maturity of three months or less to be cash. The Association continually monitors its positions with, and the credit quality of, the financial institutions with which it invests. As of December 31, 2019, the Association had no cash equivalents.

Common Area Property

Real property and common areas conveyed to the Association by the Declarant are not recorded in the Association’s financial statements because the disposition of those properties is restricted by the Declaration. It is the duty of the Association to care for and maintain the common areas for the common benefit and enjoyment of its membership. Major repairs and replacements to common area property are recorded as expenditures in the Replacement Fund.

Sunpointe at Lakewood Estates II Condominium Association, Inc.
Notes to Financial Statements
For the Year Ended December 31, 2019

Note 2 – Summary of Significant Accounting Policies (continued)

Assessments

Association members are subject to monthly assessments to provide funds for the Association's operating expenses and major repairs and replacements of common property. Assessments receivable at the balance sheet date represent fees due from unit Owners. The Association's policy is to retain legal counsel and place liens on the properties of homeowners whose assessments are delinquent. Monthly assessments vary based on the size of each unit and ranged from \$286 to \$324 for the year ended December 31, 2019.

In December of 2015, the Board resolved to revise the method for calculating monthly assessments. All Operating Fund budgeted items, with the exception of amounts designated for the Replacement Fund, will be allocated equally between all unit Owners, and assessments designated for the Replacement Fund will be allocated based on the current ownership percentages as defined in the Declaration. This amendment passed a vote by the membership during 2016.

Deferred Revenue

In 2012, the Association entered into a services agreement which grants Comcast an easement to service the broadband communications network installed in the buildings and on the common property. The compensation paid to the Association under this agreement is recorded as deferred revenue on the accompanying balance sheet and is being amortized on a straight line basis over the 10-year term of the agreement.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 3 – Income Taxes

The Association elects to file its federal income tax return as a homeowners' association under section 528 of the Internal Revenue Code. Under that code section, the Association is not taxed on income and expenses related to its exempt purpose, which is the acquisition, construction, management, maintenance, and care of Association property. Net non-exempt function income, which includes interest earned, is taxed at the federal and state levels at 30% and 4.50%, respectively.

The Association's tax filings may be subject to examination by various taxing authorities. The Association's federal income tax returns beginning with the 2017 tax year remain open to potential examination by the Internal Revenue Service; State income tax returns beginning with the 2016 tax year are open to potential examination.

Sunpointe at Lakewood Estates II Condominium Association, Inc.
Notes to Financial Statements
For the Year Ended December 31, 2019

Note 4 – Future Major Repairs and Replacements

The Association's Declaration requires funds to be accumulated for future major repairs and replacements. Accumulated funds are held in separate accounts and are generally not available for operating purposes.

In 2017, the Association engaged a third party to conduct a study to estimate the remaining useful lives and the replacement costs of the common property components. The Association is funding for such major repairs and replacements over the estimated useful lives of the components based on the study's estimates of current replacement costs, considering amounts previously accumulated in the replacement fund. Actual expenditures may vary from the estimated amounts and the variations may be material. Therefore, amounts accumulated in the replacement fund may not be adequate to meet future needs. If additional funds are needed, however, the Association has the right, subject to the Declaration, to increase regular assessments or levy special assessments, or it may delay major repairs and replacements until funds are available.

Note 5 – Related Party Transactions

The Association is contracted with Precision Management to provide monthly management, maintenance, accounting, and administrative services to the Association. Precision Management is wholly owned by a member of the Association. For the year ended December 31, 2019, disbursements to Precision Management for services performed and administrative expense reimbursements totaled \$58,271.

Note 6 – Concentration Risk

The Association maintains its cash balances in bank deposit accounts which, at times throughout the year, may exceed federally insured limits. Accounts at each institution are secured by the Federal Deposit Insurance Corporation up to \$250,000. As of December 31, 2019, there were no uninsured cash balances.

Note 7 – Contingencies

The Association may be a party to various legal actions throughout the year normally associated with homeowners' associations, including, but not limited to, the collection of delinquent assessments and covenant compliance matters, the aggregate of which, in management's opinion, would not have a material adverse effect on the Association's financial position, results, or liquidity.

Note 8 – Subsequent Events

In preparing the financial statements, the Association has evaluated events and transactions for potential recognition or disclosure through October 21, 2020, the date the financial statements were available to be issued.

Sunpointe at Lakewood Estates II Condominium Association, Inc.
Supplementary Information on Future Major Repairs and Replacements
December 31, 2019
Unaudited

In 2017, the Association engaged a third-party to conduct a study to estimate the remaining useful lives and replacement costs of the components of common property. Replacement costs were based on the estimated costs to repair or replace the common property components at the date of the study. The study includes an estimate for inflation and an investment yield of 3.75% and 1.00%, respectively.

Information on the following pages was extracted from the study and presents significant information about the components of common property.
